|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description | LGD PLT SQ FOR REV |
| extra long description | ETN 10250TS38 LGD PLT SQ FOR REV |
| Features | Eaton's 10250T line of 30.5 mm pushbuttons features a heavy-duty zinc die cast construction. Reliability nibs improve contact reliability even under dry circuit and fine dust conditions. In addition, drainage holes prevent the buildup of liquid inside the operator, which can prevent operation in freezing environments. |
| Long Description | Eaton 10250T pushbutton legend plate, 10250T series, Square 2-Position Legend Plate, Black, Legend: FOR. REV., 5/32 In high, White letters, Square |
