Features	Eaton's Residential Meter Stacks provide users with safe, easy installation and maintenance. The meter stack enclosure is made of galvanized steel, which prevents rust and provides long-term durability. This is perfect for residential metering in apartment complexes, duplexes, triplexes, and the like because the modula element allows for as many sockets as needed to fit the particular application. Additionally, the meter socket base is installed without any fasteners to reduce the chance for hot spots. An
