JAB SAW

Cuts Drywall, Wallboard, Plywood & Plastic

KLEIN TOOLS®

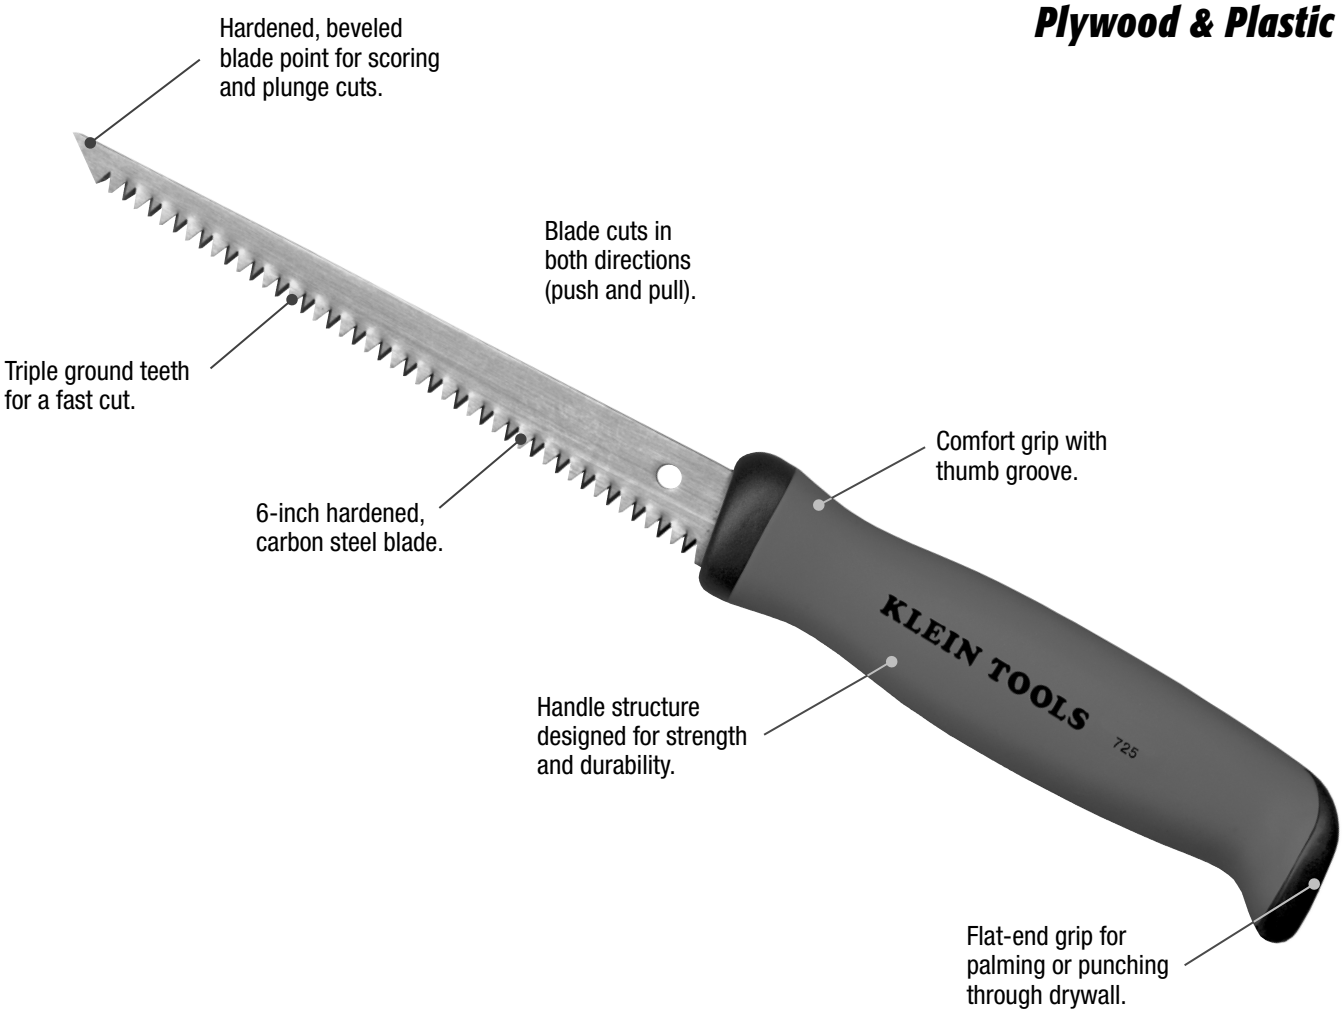

Jab Saw

KLEIN TOOLS
For Professionals…Since 1857®

Handy, Versatile Jab Saw Cuts Through the Job in a Hurry!
Introducing Klein's new tough and durable jab saw. The hardened, carbon steel blade and comfort-cushion grip handle makes it easy for cutting drywall, wallboard, plywood, and plastic. The 6-inch blade with precision-ground teeth cuts materials easily on an angle or a curve, and in both directions (push and pull). The sharpened tip provides easy drywall start-up without drilling. The flat-end handle design makes it convenient for palming or punching through drywall. This versatile cutting tool is perfect for any professional who needs to cut openings for a multitude of applications like electrical outlets, switches, and boxes in existing walls.

Features

Cuts Drywall, Wallboard, Plywood & Plastic

⚠ WARNINGS:
- Always wear approved eye protection.
- Never use on or near live electrical circuits.
- Never use blade as a prying device as blades may break and cause injury.

Ordering Information

	Cat. No.	UPC No. 0-92644+	Description	Overall Length
NEW!	725	31000-3	Jab Saw, Multiuse	12" (305 mm)

Supplement J to Catalog 139.4
