

BRC6M cable support

One of the best multiple MC cable supports available today

- Improved design — stiffer and stronger than alternative options
- Precise positioning of cables — unique design ensures cables are positioned 1 1/4" from the face of the stud
- Greater capacity — supports up to six runs of MC cable
- Stronger — stiffening ribs and more material
- Easier to adjust than alternative designs — zip tie locking tab allows trouble-free securing of cables
- Can be push mounted to stud for positioning
- Securely attaches to stud using only one screw — 50% less than other designs
- Longer tabs! Easier to lock-down! No crimping!
- Patent pending design

UPC	Catalog #	Stud Size
79903843761	BRC6M	1 1/4"
79903843762	BRC6M-1	All

Cable Type	Size	Cable Capacity
