| extra long description | ETN D2PR5T LATCHING RELAY 24VAC COI                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Features               | Installation of general purpose relays are quick, easy and secure with little risk of damage, and various relay models are specifically slim-form designed to fit into tight spaces. The D series ice cube general purpose relays provide excellent functionality and are ideal for any application from controlling smaller loads, to those requiring high current-carrying capacity. A wide array of coil voltages and contact configurations ensure there is a D series relay for every control circuit design application. |
| Long Description       | General Purpose Plug-In Relay, D2PR, Standard relay, 24 Vac, DPDT latching, 180 ohms                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Product Type           | Latching Relay 24VAC Coil                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

### Manufacturer Information

|                           |                |
|---------------------------|----------------|
| Brand                     | Eaton          |
| GTIN                      | 00782114159736 |
| Manufacturers Part Number | D2PR5T         |
| UPC                       | 782114159736   |

### Taxonomies, Classifications, and Categories

|                      |                        |
|----------------------|------------------------|
| Category Description | GENERAL PURPOSE RELAYS |
| Type                 | General-purpose relay  |

### Packaging

|                 |      |
|-----------------|------|
| Carton          | 1    |
| Weight Per each | 0.05 |
