Descriptions

Description	2C BTN MA W/RBAR MECH INLK
extra long description	ETN E30AG 2C BTN MA W/RBAR MECH INL
Features	These square, multifunctional operators feature die cast construction to prevent the passing of oil and other contaminants through the operator into the contact structure or panel interior. The attractive square operator styling, coupled with custom legending of colored button and lenses and many special function accessories, makes E30 30.5 mm components ideal for a variety of industrial and OEM applications.
