| extra long description | CRS-H EYD36 SA 1 NPT THRU MALE/FEMA                                                                                                                                                                                                                                                                                       |
| Features               | In addition to restricting the passage of gases, vapors or flames from one portion of the electrical installation to another, Crouse-Hinds series EYD and EZD drain sealing fittings prevent accumulation of condensate above the seal. They are installed in vertical conduit runs and at low points in conduit systems. |
| Long Description       | Eaton Crouse-Hinds series EYD conduit sealing fitting with drain, Male and female, Copper-free aluminum, Vertical only, 1"                                                                                                                                                                                                |
| Product Type           | 1 NPT Thru Male/Female Al Drain Seal                                                                                                                                                                                                                                                                                      |
| Special Features       | With Drain, Vertical Position                                                                                                                                                                                                                                                                                             |
