extra long description	EWD EZTR8300W Modular 20A TR Duplex
Features	Arrow Hart EZ Link™ modular devices are the most efficient way to wire receptacles and switches for large commercial projects. Designed with contractors in mind to help meet deadlines while saving on labor costs, our EZ Link devices feature a unique design for quick and easy installation – faster than traditional wiring. Engineered from the ground up, the revolutionary design reduces installation errors and allows for secure, aligned and accurate installation the first time... every time.
