Arlington's cost-effective **FLOOR BOX KITS** offer installers the low cost, *convenient* way to install a receptacle flush with the floor wherever your customer needs one.

Arlington's FLOOR BOX and COVER KITS **FOR NEW CONCRETE** offer flexibility and convenience.

Made of heavy-duty plastic, our 4.5" non-metallic **concrete box** is a common size, that accommodates *our 6" round covers* as well as *most other round covers on the market*.

Our versatile concrete box **covers** are available with flip lids or threaded plugs in brass or nickel-plated brass. **And NOW plastic, in five colors, including paintable white!**

They offer easy installation of receptacles so they'll look great wherever they're installed!

For the *fastest* installation, our trapdoor covers ship *ready to use* with a pre-installed gasket and decorator-style receptacle.

A selection of leveling rings and adapters allows our covers to fit our boxes *and* most other manufacturers' concrete boxes.
