### Descriptions

|                        |  |
|------------------------|--|
| Description            | ILL E-STOP PUSH-PULL 85-264VAC 1NO/2NC   |
| extra long description | ETN M22-PVL-K12-230R ILL E-STOP PUS  |
| Features               | This attractive, functional line of pushbuttons features a space-saving construction that enables fast assembly. The complete illuminated M22 line offers LED light units to ensure high-quality brightness and up to 100,000 hours of illumination. Because of the rugged design of these pushbuttons, most operators and contact blocks exceed five million mechanical operations. |
