Descriptions

Description	HOLD DOWN CLIP D3PA6 AND D3PA7 SOCKETS
extra long description	ETN PQC-1332 HOLD DOWN CLIP D3PA6
Features	Installation of general purpose relays are quick, easy and secure with little risk of damage, and various relay models are specifically slim-form designed to fit into tight spaces. The D series ice cube general purpose relays provide excellent functionality and are ideal for any application from controlling smaller loads, to those requiring high current-carrying capacity. A wide array of coil voltages and contact configurations ensure there is a D series relay for every control circuit design application.
