Dottie Quick Sticks

The Quick Sticks screw together to reach full or desired length.
 Use to fish wires through walls, under floors, over suspended ceilings and into many other confined spaces.
 Quick Stick (6 ft.) will flex 90° without breaking.
 Made from high strength, low weight fiber glass material.
 Quick Sticks are ideal for pulling and stringing communication wires, alarm system wires, romex, telephone and thermostat wire.
 Available attachments are: Pulling Hooks, Pulling Eyes and Wisp Heads.
 The QS3630LS & QS3612LS glow in the dark for better visibility during use.
