| Manufacturer     | Southwire Company                                                                                                                                                                                |
| Description      | 600 Volts. Copper Conductor. Thermoplastic Insulation/Nylon Sheath, Heat, Moisture, Gasoline and Oil Resistant li. Rated THHN and THWN-2. Also Rated MTW. Simpull Technology For Easier Pulling. |
| Weight per unit  | 0.4620 (lbs/ft)                                                                                                                                                                                  |
| Product Category | Wire                                                                                                                                                                                             |

### Features

|                      |     |
|----------------------|-----|
| Conductor Size       | 2/0 |
| media                | Yes |
| Number of Conductors | 1   |
| Voltage Rating       | 600 |

### Material, Color, and Finish

|                     |       |
|---------------------|-------|
| Insulation Material | PVC   |
| Jacket Material     | Nylon |

### Dimensions and Weight

|        |      |
|--------|------|
| Length | 2500 |
|--------|------|

### Descriptions

| Features               | Southwire® SIMpull THHN copper conductors are primarily used in conduit and cable trays for services, feeders and branch circuits in commercial or industrial applications as specified in the National Electrical Code. Voltage for all applications is 600 volts. SIMpull THHN copper conductors are designed to be installed without application of a pulling lubricant. |
| Long Description       | 600 Volts. Copper Conductor. Thermoplastic Insulation/Nylon Sheath, Heat, Moisture, Gasoline and Oil Resistant II. Rated THHN and THWN-2. Also rated MTW. SIMpull Technology for Easier Pulling.                                                                                                                                                                            |
