## THQL2150 Circuit BRK 10KA QL 2P 12 *Industrial Connections &*

|                  |                                    |
|------------------|------------------------------------|
| Catalog Number   | THQL2150                           |
| Manufacturer     | Industrial Connections &           |
| Description      | THQL 2 Pole 120/240V 10K Ic 50 Amp |
| Weight per unit  | 1,050.0 (lbs/each)                 |
| Product Category | 2 Pole Standard Trip Plug-In       |

### Features

|                  |                                 |
|------------------|---------------------------------|
| amperage rating  | 50                              |
| frame            | Q-Line                          |
| interrupt rating | 10kA@120 Vac / 10kA@120/240 Vac |
| Load Rating      | HACR                            |
| Poles            | 2                               |
| trip range       | Non-Interchangeable             |
| Trip Type        | LI                              |
| Voltage Rating   | 240 V                           |

### Descriptions

|                        |  |
|------------------------|--|
| Description            | CIRCUIT BRK 10KA QL 2P 12  |
| extra long description | GE THQL2150 THQL 2 POLE 120/240V 10  |
| Long Description       | THQL 2 POLE 120/240V 10K IC 50 AMP   |
| Product Type           | THQL 2 Pole 120/240V 10K Ic 50amp  |
| Special Features       | Q Line circuit breakers are one-inch wide per pole, compact, thermal-magnetic devices designed for residential and commercial applications in load centers or lighting panels. All Q Line circuit breakers feature Quick-make / Quick-break mechanisms, common trip bars, and easy to spot trip indication to ensure safety and reliability. Q Line breakers can be ordered with auxiliary contact and shunt trip accessories, and can be ordered for use in HID applications. The THQL2150 breaker features 2 poles, an amper |
