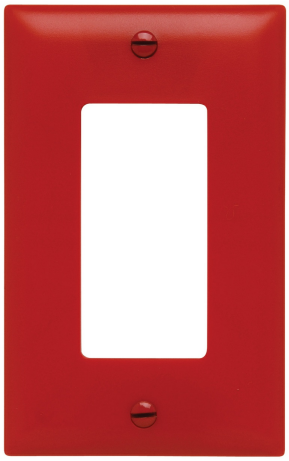
TradeMaster® 1-Gang Nylon Wall Plate, 1 Decorator Opening, Red

Part No. TP26RED



The TradeMaster thermoplastic 1-gang decorator wall plate provides maximum durability in plastic wall plates. Self-extinguishing nylon construction makes these wall plates virtually unbreakable. They are 3/16 of an inch higher and wider than typical plastic wall plates - not enough to be apparent to the eye, but the extra size cuts cost by reducing dry wall rework.
